

# SkyAfrica Newsletter

March 2011

*Greetings dear flying friends!*

## **AERO FRIEDRICHSHAFEN 2011**

Next month SkyAfrica will once again be taking part in the 'Global Show for General Aviation' in the Zeppelin Airship town of Friedrichshafen in Germany. The AERO 2011 is taking place on the **13. - 16. April** and our team will be representing SkyAfrica for the fifth time in ten years! We anticipate lots of activity on the stand and look forward to presenting our latest safari routes, chatting to new customers, as well as welcoming back our valued SkyAfrica 'repeat offenders'. It should be a good one!

### **SkyAfrica presentation during the AERO:**

#### **Flying in Southern Africa and Landing Safely in the Bush: A How To on Aviation in Africa**

This instructive presentation and Q&A session by SkyAfrica boss Karl will explain everything a European pilot must know when flying in Southern Africa. In addition, there will be a PowerPoint lecture on the best and safest approach and landing techniques used for unknown, rural and often less than ideal airstrips.

**When:** Friday (15.04.2011) at 11:30; Saturday (16.04.2011) at 15:30 - Exact room location to still be announced

**Language:** German

## **SkyAfrica AERO Details**

**Hall: A4**

**Stand Number: 408**

## EAGLES GATHERING 2011

This year we will be hosting another Eagles Gathering during the AERO for all of those wonderful pilots and Africa aficionados who have travelled with us already, and for all of you who would like an opportunity to get to know the SkyAfrica team a little better and chat to those who have flown with us in the past. The event will again be taking place in the charming **Ringhotel Krone** in Schnetzenhausen on the 15th April 2011.

SkyAfrica will be sponsoring a barrel of Germany's finest and during all of the festivities we will also be showing a video film about our Rift Valley Safari, which takes our clients from South Africa to Zanzibar via the breathtaking Serengeti, the Ngorongoro Crater and many more spectacular destinations.

For all of you who are interested in attending this fun-filled event, please send an email to [erika@skyafrika.com](mailto:erika@skyafrika.com) and state how many persons you wish to bring along. The more the merrier!

### Details of the

**Date:** 15. April 2011

**Time:** 18:00 - Until we decide to leave

**Location:** Ringhotel Krone Schnetzenhausen

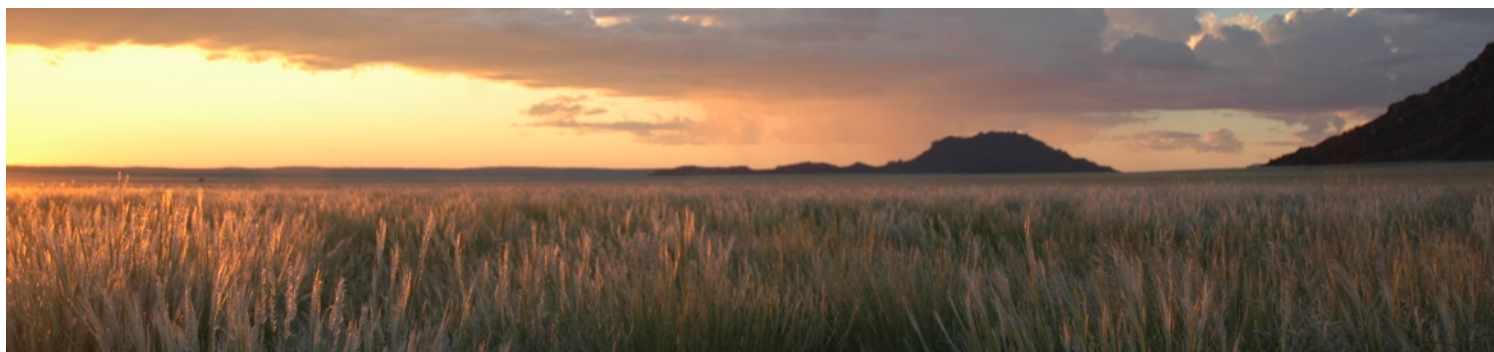

Untere Mühlbachstraße 1

D - 88045 Friedrichshafen

Tel. +49 (0)7541 4080

[www.ringhotel-krone.de](http://www.ringhotel-krone.de)

**We look forward to seeing you there!**

### **BUSH PILOT COURSE DATES**

This course is ideal for pilots who wish to acquire the skills and knowledge to safely navigate and fly into remote and unfamiliar airstrips, be they in Africa, Canada or the Australian Outback.

Our next scheduled course dates are:

- 22. April 2011
- 11. June 2011
- 22. October 2011

**Should these dates not suit your time schedule, then please feel free to suggest a date that does!**

### **OSHKOSH FLIGHT 2011 - OPPORTUNITY OF A LIFETIME!**

In July our SkyGuide and Bush Pilots instructor Tony Pitout will be taking to the skies once more in his Piper Comanche and set out to fly up through Africa, across Europe and conclude the first half of his journey in Oshkosh/Wisconsin in the United States to enjoy the wonders of the annual EAA AirVenture. We will of course keep you all posted on Tony's flying adventure, but in addition to that, SkyAfrica have a fantastic offer for one lucky person:

**For the return flight to South Africa from Europe onwards we still have one seat available!**

Be sure to make use of this fantastic offer to discover the beauty of Africa - just as the pioneers of days gone by - only with much better set of navigational and communication equipment!

For all of you who are interested in joining Tony on his return flight to SA, please send an email to Karl at [team@skyafrica.com](mailto:team@skyafrica.com).

*Come fly with us...*
